## Canteen Corner

The school year has started with a bang with students supporting their school by purchasing from our canteen. It's good to remember that 100% of the profit in the canteen goes directly back into supporting the students through funding resources and equipment for the school. As well as purchasing from the canteen windows, orders can be placed online. Register at [www.flexischools.com.au](http://www.flexischools.com.au) for a quick, easy and convenient way to order lunch (or Recess 1 and Recess 2!)

## Positive Thought for the Week

"If I set my goal high, I may not reach it but at least I'll put on muscle climbing towards it."

## Epipens

If your son/daughter carries an epipen at school please check that the use by date has not expired.

## NOWRA SHOW RESULTS, 2016

Congratulations to the students for their Nowra Show entries. This year Bomaderry High School, once again, gained numerous prizes in the junior Cooking, Textiles and Craft Materials sections. Our school has been a long-time supporter of the Nowra Show and has successfully entered into these sections for over 11 years. A big thank you must go to the staff who organised and assisted these students with their entries. This included taking the entries over to the show on Thursday morning and picking up the prizes on Sunday. They are Mrs Butfield (Head Teacher), Mrs Mackay, Mrs Alcorn and Mrs Gunning (Food Technology Assistant).

**Disability Provisions for the Higher School Certificate Examinations**

The Board of Studies has a program to help students with practical support in their Higher School Certificate examinations. This practical support, known as provisions, assists students to read examination questions and to write their answers. Provisions include rest breaks and extra time. The use of any provision is not written on the student's results.

Students may need provisions for: a permanent condition (such as diabetes or reading difficulty), a temporary condition (such as a broken arm), or an intermittent condition (such as back pain when sitting for long periods).

To apply for provisions, the school submits an online application to the Board of Studies. This application tells us which provisions the student is requesting and includes recent evidence. Evidence may include medical reports, reading results, spelling results, writing samples and teacher comments.

Much of the evidence can be collected by the school, but the parents' role is welcomed and needed. Parents help by talking with the school, describing the student's needs, and providing the school with medical or other reports.

Applications for provisions should be submitted by the school to the Board of Studies by the end of Term 1 (year sitting HSC). Late applications are accepted for an emergency, such as a broken arm, until the time of the examinations.

When a final decision is made by the Board of Studies a written notification will be sent to the school Principal.

If you think that you or your child may require support in completing the Higher School Certificate examinations, please discuss the matter with the Year 12 Adviser Mrs Pickering or the Learning and Support Teacher - Mrs Van-Beek.

**Aboriginal and Torres Straight Islander Students - Personalised Learning Plans 2016**

To parent(s)/carer(s) of Aboriginal and Torres Straight Islander students, Personalised Learning Plans (PLP) for each student will be updated commencing Term 1, 2016. Parent(s)/Carer(s) are most welcome to attend personally the planning sessions or participate via conference call (phone hook-up), or receive a draft copy of the PLP for review from the planning session conducted by Ms Stewart (AEO) and Mr Lane (PLP Teacher Support). The school will mail a formal letter of PLP notification to all parent(s)/carer(s) this week.
