P&C Bits and Pieces

Did you know that a recent article in the P&C Journal has shown there's a link between parent engagement in schools and student success? It said that student achievement improves when parents play an active role in their children's education, and that good schools become even better schools when parents are involved. Joining the P&C is a great way to support your child and Bomaderry High. Our next meeting is Thursday, 10th March at 7pm in the common room upstairs in A Block, and everyone is welcome to come along and be involved in the great things happening this year.

Positive Thought for the Week

Work hard in silence, Let success make the noise!

PARENTS IN CARS ACCESSING SCHOOL GROUNDS

Parents are asked to drop off and pick up their child/children outside the school premises. At the beginning and end of the school day the volume of traffic is heavy. Access to the grounds between 8.15am and 9.15am is only for staff, delivery vans and at present construction crews. This applies also to the period between 3.15pm and 3.45pm. Easy and safe access for those mentioned above is vital and additional cars on site only contributes to the morning and afternoon congestion. Thank you, in anticipation of your understanding and co-operation.

Ms Appleton, Principal
