Positive Thought for the Week

"When obstacles arise, you change your direction to reach your goal; you do not change your decision to get there."

Celebrate Attendance

It is important for parents to make attending school a priority.

Allowing children days off for birthdays, to look after younger children, to go shopping, to keep you company or because they were tired from a late night, not only sends the wrong message to your child, it is also against the law.

Children who get used to having days off school for these kinds of reasons develop an attitude that their attendance at school is not very important. This can become a big issue as a child gets older.

Canteen Corner

Make sure you don't miss out on a toasted Turkish, a fresh wrap or roll or the Daily Specials, by placing an order. This can be done the good ol' fashioned way with a paper bag and cash, or online at flexischools.com.au. All lunch orders must be received by the end of Recess 1. If it's ordered on the day, you can be guaranteed of getting what you want. Without an order, there's a good chance that the canteen will sell out of popular items. So plan ahead and get your order in!

P&C Bits & Pieces

The 2016 National Excellence in Teaching Awards (NEITA) celebrates excellence in teaching. To nominate an inspirational teacher or educator, go online to asg.com.au/nominate before 31st July.

Homework Centre for all Year 11 and 12 students -

Venue: Bomaderry High School Library

Day: Every Tuesday

Time: 3:30 – 4:30 pm

All Year 11 and 12 students are invited to come along to our Homework Centre. The aim of the Homework Centre is to provide students with a conducive environment in which they can study with their peers, do their homework and complete their assignments, with books and computers available for their usage.

The library has private small rooms for individual study. There will be a supervising teacher in the library; however, if students require the assistance of their subject teachers, they may make individual arrangements with their subject teachers to be present at the Homework Centre.

We hope to see more and more students utilising the Homework Centre in the weeks to come.

Mrs D Brewitt

Link In2Uni -

60 students in Years 7 and 8 will be participating in the University of Wollongong Link In2Uni Academic Enrichment Program 2016. This program provides an opportunity for our students to enhance their problem solving skills and experience what it is like to complete a university project.

The program is delivered in our school library, every Tuesday morning, from 24th May to 28th June by University of Wollongong In2Uni Mentors. At the end of the program, students' completed works will be displayed at the University of Wollongong Showcase Evening, held at the University's Shoalhaven Campus.

Zone Cross Country -

Last Friday on the 13th of May, an energetic group of runners represented Bomaderry High Zone Cross Country at Willandra. A day full of tough competitors and windy conditions challenged us mentally, and physically. The track tested everyone's endurance and stamina but all Bomaderry High School competitors should be congratulated, as there were brilliant results in all age groups. Overall it was an enjoyable experience to remember.

Some outstanding results included:

- 12 years - Callan 7th, Saxon 8th, Summer 6th
- 13 years - Kai 4th, Joseph 5th, Tara 12th
- 14 years - Tully 9th, Natalie 9th, Tara 5th
- 15 years - Noah 5th, Kye 6th
- 16 years - Jack 6th, Jayden 7th, Tristan 8th
- 17/18 year - Michael 3rd, Jamie 4th, Travis 6th, Brady 8th, Sophie 7th, Sheka 8th.

All runners can be proud of their achievements on the day.

Bomaderry came 4th overall with a score of 282 out of the six high schools; however, this placing may be readjusted when the school population is calculated. Thanks to Ms Lett, Ms McMullen and Mr Arthur for organising the team.

By Shakea, Skye and Chantelle

Sports Groups -

| Group | Sport |
|---------|----------------|
| Girls 3 | Yoga |
| Girls 1 | Indoor Hockey |
| Girls 2 | Backyard Games |

Luna Park Excursion 6th May 2016

On Friday, 6th May the Year 12 General Mathematics students went to Luna Park. The aim was to study the mathematics behind some of the attractions, which was done on a worksheet. The weather was beautiful, and there were not very many people there that day, so it was a fantastic excursion. We travelled by bus, and had plenty of time to explore the Park and find the answers to the worksheets, as well as enjoy the rides.

Careers News with Mr Cork

Quote of the Week - "When your work speaks for itself, don't interrupt", Henry J Kaiser.

Website of the Week - www.discoveryyourcareer.com
