Positive Thought for the Week

"Happiness is a habit - cultivate it."

Canteen Corner

Next week's specials will be Beef Burgers on Tuesday & Wednesday, and Chicken San Choy Bow on Thursday and Friday. Of course, Nachos on Monday as usual. To guarantee you don't miss out, remember to order your lunch by the end of Recess 1.

SAVE THE DATES! Red Days Week 8 Thursday 15th and Friday 16th June. A couple of times a year, school canteens can hold "red days" and sell food that's not normally available on the menu. More details will be included next week.

P&C Bits & Pieces

A final reminder about our guest speaker at next week's P&C meeting. Libby Taylor is a psychologist on brain/behaviour and her presentation has been described by others as "life changing". Hope to see you there in the Blue Gum room at Bomaderry Bowling Club on Thursday, 8th June at 7pm.

Principal's Report

Bomaderry High School is currently looking into how we can better communicate important information with our students, parents and the wider school community. At present we have the school newsletter, school webpage, Skoolbag App and Moodle to disseminate important information. This investigative process will continue throughout the year as we move into the NSW Department of Education's LMBR package which will begin implementation in Week 2 Term 3, and will steadily evolve as the year progresses. As a result we have established a Bomaderry High School Facebook page where we will begin to post important and relevant information as is necessary. This will positively add to the many communication platforms that already exist. The Bomaderry High School 50th Birthday Celebrating Committee has also established a Facebook page to assist with promotion of the school turning 50. I encourage all our parents and community members who engage with Facebook to seek these pages out.
