## Positive Thought for the Week

"Success doesn't come to you, you go to it."

## iPad News

Year 9 are able to bring their iPads to school from Monday, 24th July. The students will be given a half day of intensive iPad training to set them up for use for the remainder of the year and beyond.

Meanwhile, Year 8 students are now able to keep their iPads during break times. Please discuss with your child if you would still like them to utilise the safe storage area. During breaks, the students are not allowed to have their iPad out in the playground.

Parents are reminded that there are a number of tools on the iPad to keep your child from accessing inappropriate materials either during school time or outside of school. Students use their iPad at school in line with the school user policy and must comply with all staff directions in regard to their iPad.

Students continue to be thoroughly engaged with the iPad and teaching staff are also enjoying the new challenges of providing digital units of work and lessons to the students.

## Principal's Report

Week 1 has flown by with students and teachers straight into their teaching and learning activities. Year 12 sat some of their trial exams in Week 1 and the remainder will take place in Week 5. As we head into Week 2 LMBR should be 'live' when everyone arrives on Monday morning. Fingers crossed it all goes smoothly.

In more staffing news Mr Graham (Deputy Principal) will be on leave for Term 3 and Mrs Russell will be relieving in that position. Mrs Laris will be relieving Head Teacher of Teaching and Learning and Miss Dempsey will be teaching in Science for this term. Miss Swain will be our Defence Transition Mentor as Ms. McMullen will be teaching at the Tutorial Centre whilst Ms. Doyle is also on leave.

Have a great term everyone!

## Canteen Corner

We've introduced some new menu items this term, including a delicious Bacon, Lettuce and Tomato roll with hot, freshly cooked bacon. At only \$4, it's a real winner.

Due to increases from our suppliers that we can no longer absorb, we have slightly increased the prices on a small number of menu items. We always strive to provide high quality food at the best possible price, unfortunately sometimes that means we need to raise our prices to cover our costs. We cook and prepare a large portion of our menu items to keep our costs as competitive as possible. We have also introduced a few meal deals to provide a variety of options.

## Berry Men's Shed Scholarship

2017 Berry Men's Shed Scholarship was awarded to Max Bolden and Lauren Richards, for their consistent work throughout their schooling. Bomaderry High School would like to thank the members of The Berry Men's Shed for their ongoing support of our students.

### Southern School's Performance Ensemble

Dear Parents and Carers of Year 8 and Elective Drama, Dance and Music Students

On Tuesday, 25th of July 2017, Bomaderry High School will host the highly successful Southern Schools Performing Ensemble. The ensemble is made up of about 46 highly talented students from the Illawarra and South East Regional High Schools and includes a full stage band, vocal ensemble and a dance troupe. Bomaderry High School students have been strongly represented in our Ensemble since it began.

The cost for the performance is a gold coin donation and will be collected at the hall doors prior to the performance. Students not wishing to attend will go to normal class. The performance will be held in the school hall starting at 2pm.

We encourage all our students in Year 8 and the Elective Drama, Dance and Music (Years 8-12) students to take this opportunity to support their peers and be part of the audience for this truly exciting performance of music, song and dance.

Ms G Myers-Brown  
Head Teacher CAPA
