Principal's Report

As a school, we are beginning to evaluate our current school plan. This will involve the executive staff and leaders of our project teams leading staff through a number of evaluative processes. I am also keen to explore parent feedback through a 'Tell Them From Me' survey as well as opportunities that will be provided at upcoming P&C meetings. This will inform our decision-making processes as we look to formulate a School Plan that will take us through to the end of 2020. A time that will see us well and truly entrenched in the 21st Century.

Construction has begun on the new sports stadium across the road from the school and the majority of students and parents have been utilising the parking areas provided by Shoalhaven Council. As these areas are located further away from the school this has led to some students arriving late to roll call. This needs to change as this disrupts our morning assembly as well as creating inaccuracies in the official rolls due to students failing to follow the correct procedures once they arrive on school grounds. This has also led to parents dropping off students in the school carpark which also needs to cease so that we can maintain the safety for all students and staff. I thank you in advance for your cooperation.

HVTC (Hunter Valley Training Company) is the largest group training company in the Shoalhaven. Contact them and register your interest if you desire an apprenticeship or traineeship. Debbie Jones can be contacted on 4422 7611.

Attention: **Year 12** students looking for careers advice after your final exams? Go to www.cas.det.nsw.edu.au or contact them on 1300 300 687.

Attention **Year 10** students and parents: "**Decision Week**" is fast approaching. The vast majority of Year 10 will move onto Year 11 and progress to the HSC. The subjects you choose are more important to help with future career aspirations, so a lot of research needs to go into this process. If you are going on and are planning on tertiary education, please refer to the website of the week. UAC (University Admission Centre) provide invaluable information specifically for year 10 students. If you go to the UAC website and put in Year 10 booklet into the search engine, you can look at recommendations the various universities make regarding HSC subjects for their courses. A specific booklet for UOW can be found on their website.

If you are in Year 10 and looking to leave for an apprenticeship or traineeship go to www.skillsroad.com.au

Air Affairs is a local Avionics company looking at recruitment to apply email applications to applications to application@airaffairs.com.au

UOW Shoalhaven is having an information night Wednesday, 23rd of August 2017 at 5:30pm.

Attention Year 12 students: UOW's "**Early Entry**" scheme opens Tuesday, 1st of August 2017. For more information visit: www.uow.edu/early

Year 10 wishing to complete an external **TVET** course as part of their Year 11 subjects next year should register their interest with Mr. Cork. TAFE offers a number of courses and Aerospace Training Services at South Nowra offer 2—Aeroskills Certificate II (Aircraft maintenance) and Certificate III in Aviation (cabin crew). See Mr Cork

Shellharbour Council is after an apprentice **Mechanic**. Offers close Friday, 4th of August 2017. Mark your application 'Confidential Job Application' and send to jobs@shelharbour.nsw.gov.au
