Positive Thought for the Week

"There is no such thing as a failed experiment, only experiments with unexpected outcomes."

Principal's Report

I attended the Aboriginal Graduation for five of our students on Monday at the Bomaderry Bowling Club. The evening celebrates the success of Aboriginal students from Kiama, Bomaderry, Nowra, Shoalhaven, Vincentia and Ulladulla High Schools. It was an entertaining evening with presentations made to all students. Our students deserve to be congratulated on their efforts. Congratulations to Tyson, Jamie, Zac, Chloe L., and Chloe M. I'm sure the future holds great things for each of you.

This term, most students are to be congratulated on their wearing of school uniform. I have only had to speak to a few students regarding uniform. Please remember that if your child arrives at school out of uniform, we will endeavour to supply them with uniform for the day. I would like to remind parents and students that our Uniform Policy allows 'human coloured' hair. This means if your child decides to change their hair colour, it needs to be a natural hair colour such as blonde.

Next week, Year 11 will start their exams and I would like to wish all students good luck. This is the final step in your Preliminary Year prior to starting the H.S.C., so please study and apply your best effort. Remember to read the questions carefully and always go back over your answers to check your responses.

Link In2Uni
 In Term 2, some of our Year 7 and 8 students participated in the Link In2Uni Academic Enrichment Program run by the University of Wollongong. Students were given the opportunity to explore how university and careers link to their school curriculum by undertaking a university-style project. Once a week, for six weeks, students worked on a problem related to Mathematics, guided by university mentors and utilised university resources to complete their project. The projects are being displayed at a Showcase Evening held at the University of Wollongong Shoalhaven Campus on 13th September. Certificates will be presented to our students followed by a tour of all projects, with light refreshments provided throughout the evening. All students who participated, their parents, family and teachers are invited to attend this event. Please contact Mrs Brewitt if you have not received an invitation or for more information.

4E - \$20 Boss

\$20 Boss is a nationwide in-school challenge that inspires and develops entrepreneurial skills and passion in young Australians. The students in the 4E class at Bomaderry High School have received \$20 start-up capital from FYA and NAB to create their own businesses. They have been working through the \$20 Boss program which teaches them the skills to set up and run their businesses successfully. The students are running their businesses until the 18th September, 2016 to determine who is the most successful. At the end of this time they repay the \$20 start-up capital and the profit they make will be given to a local charity of their choice.
