## Positive Thought for the Week

"Exams and grades are temporary, but education is permanent".

## Canteen Corner

The school canteen is proudly run by the P&C and serves our students 4 times each day. We have a large selection of canteen-made items such as the canteen special, Pizza of the Day, Toasted Turkish bread, fresh rolls & wraps, fresh salads and even our new daily Sweet Treat such as delicious muffins or a slice.

We're always on the lookout for new volunteers, so if you're a Parent, Grandparent, Carer, Aunt, Uncle, neighbour or friend and you've got a few hours to spare, even if it's only once a month, all help will be gratefully accepted. If you're interested, drop in and see Shelly in the canteen.

## Student Attendance

Parents are reminded that students need a signed note from their parents when arriving late to school, or intending to leave early. Any absences from school for any reason, e.g. sickness, need to have a note brought into the school when the student returns.

The school has created a pro-forma page of attendance slips that parents may print out from our webpage and use as they need. Many parents find it handy to keep a few of these in the car, along with a pen, for mornings when students may be running late.

## Principal's Report

A reminder for all of our parents and students that Moodle is an online resource of information about assessment tasks, homework and classwork which is accessible from our school website. This site is particularly useful for parents who wish to assist their children in meeting their requirements for classwork and submitting work on time. Simply head online to: [www.bhs.edu.nsw.au](http://www.bhs.edu.nsw.au) and click the 'Moodle' section on the home page.

There is good news for parents and students who wish to access the 'Skoolbag' app, but have an incompatible mobile phone or an older style phone. Skoolbag has a website, which is easy to access to keep up to date with all the latest information at school. The website is <http://www.skoolbag.com.au>.

## Earphones for School Use

As more technology is being used in the school with Clickview and Google Classroom, students need headphones or earphones to fully participate. In the past the Library has had a small number of headphones available to borrow. Unfortunately, these headphones are beyond repair and, as of this Term, all students will be expected to have their own headphones/earphones. The lending of earphones is also against the WH&S policy of the school. Earphones are for sale in the Library for the bargain price of \$3.00.

## Year 7 and Year 8 Girls and Boys Sport - Monday

Group	Sport	Group	Sport
Girls 1	Volleyball	Boys 5	Dodgeball
Girls 2	Wood Cricket	Boys 6	Cricket
Girls 3	Lacrosse	Boys 7	Indoor Soccer
Girls 4	T-Ball	Boys 8	T-Ball
