Positive Thought for the Week

"Wake up, smile, and tell yourself that TODAY is my day".

4E - \$20 Boss - 2016

\$20 Boss is a nationwide in-school challenge that inspires and develops entrepreneurial skills and passion in young Australians. The students in the 4E Mathematics class at Bomaderry High School received \$20 start up capital from FYA and NAB to create their own businesses. They were required to run their businesses for 4 weeks. The businesses were very successful and they made a total profit of \$1291.25, which was donated to the following charities.

World Vision - \$532.05

Sydney Children's Hospital - \$480

Friends of the Brush Tailed Wallaby - \$117.70

Kids Cancer Project - \$81

UNICEF - \$80.50

A Great Home for SLR Film Cameras

Do you have an SLR Film camera sitting at home, not being used, feeling unwanted? The CAPA Department are happy to adopt any unwanted but working SLR **film** cameras looking for a new home. Please contact Ms Myers-Brown if you can help.

Canteen Corner

Check out the noticeboard beside the Canteen each day for information on daily specials, pizza flavours and the daily sweet treat. Don't forget to order your nachos for Day 7 and also the Pesto Pasta salad for Day 9! Both are big sellers and they go fast, so to make sure you don't miss out, get your order in before the end of Recess 1. Or even better, order online at www.flexischools.com.au.

P&C Bits and Pieces

Last year the P&C established a Community Service/Environment award for Presentation Day and we are proud to offer it again this year. The award is granted to a student who demonstrates a significant out-of-school contribution to their local community or environment. Students can be nominated by a teacher, parent, carer, another student or they can nominate themselves. The successful nominee will be awarded a \$100 gift voucher for a local business of the students' choice. The award will be presented at the end of year Presentation Day assembly which will be held on Thursday, 8th December, 2016. Nominations can be handed in at the Front Office and must be received by Friday, 18th November, 2016.

Compulsory School Attendance

All students will be receiving their attendance print out next week with their newsletter. Parents will need to check this print out and then address any unexplained or unjustified absences with a note.

Parents or Caregivers are required by law to provide an explanation to the Principal to say why their child was absent from school. The note of explanation should contain:

1. Date that the note was written.
2. Students' name and year.
3. Day/date the student was absent.
4. Reason for the student being absent.
5. Signature from the Parent.

Please ensure all of these needs are met so that your child's attendance record is completely explained. There is also an Attendance Sheet pro-forma available to print out on the Bomaderry High School website.

Careers News with Mr Cork

Quote of the Week: "Opportunity is missed by most people because it is dressed in overalls and looks like work"- Thomas Edison

Website of the Week: www.spotjobs.com

TAFE "**Choices Day**" at Bomaderry TAFE will be held on Saturday, 3rd December from 9am to 1pm.

Year 10 First Aid Training will be held on Friday, 2nd of December. The course is being delivered by Royal Lifesaving. We are able to conduct a 1 day course, because the students will be given their booklets prior to the course. Please note that booklets must be completed prior to the course date and handed in on the morning of the course. The cost is \$75 which is payable at the Front Office.

The 2016 Year 10 **Rural Fire Service** training course concluded last week. Well done to our Year 10 2016 class who have been provided with a wonderful experience, and skills for life. Thank you to Mr Morris for your assistance.

Mr Cork and students at Rural Fire Service Training

UOW "Discovery Day" 2017 has been booked in for our new Year 12. This important event is **FREE** for BHS students who are keen to find out the options available to them at UOW in 2018. See Mr Cork to register your interest.

The **Shoalhaven Education Fund** has money available to assist students who are finding it difficult to support their further education after school. It's not just Uni, it could be TAFE, an Apprenticeship or a Traineeship. Contact Mr Cork for details.

Interested in new career opportunities with **modern technologies**? Collect a "Careers with Code" booklet from outside the Careers office.

The Careers Advisory Service (CAS) is available on the 19th and the 21st of December. If you know of any stressed out Year 12, who are feeling unsure after their results come out, please use this service. www.cas.det.nsw.edu.au or call 1300 300 687.
