Positive Thought for the Week

You cannot stop the waves, but you can learn to surf.

Canteen Corner

We are still seeking anyone interested in being part of our pool of casual paid staff. No prior experience is necessary but a willingness to work as part of a busy team and serve students during breaks is essential. Contact Karen Woods on 0405 567 880 for more information.

Day 8 Gourmet Sandwich - Chicken, Avocado & Rocket
Sweet Treats - Monday: apple pikelets, Tuesday: orange muffins, Wednesday: fruit yoghurt, Thursday: raspberry and white Choc muffins, Friday: banana muffins.

Savoury Shots - Monday: vege sticks & dip, Tuesday: sushi, Wednesday: popcorn, Thursday: sushi, Friday: rice crackers & dip.

P&C Bits and Pieces

This week is the final week for nominations for the P&C Community Service/Environment Award which is given to a student who demonstrates a significant 'out of school' contribution to their local community. Nominations can be left at the Front Office.

Giving Tree

Bomaderry High School has organised a Christmas Giving Tree for the less fortunate people in our community. The idea is to bring in Christmas themed non-perishable food. The school year which brings in the most non-perishable food will get a mystery reward at the start of Week 11. Take items to Mr Abbott in D4. Thank you for your support in making other people's Christmas better this year.

Parents & Students Please Note

The cashier's window for the receipting of monies will be closed all day on **Wednesday, 30th November 2016** and **Thursday, 1st December 2016**. Access for all other enquiries will be available via the front enquiry window of the Administration Office.

Principal's Report

This has been a big week for celebrations at our school. Firstly, the staff and students would like to congratulate our ex-pupil 'star' cricket player Nic Maddinson who was selected into the Australian Cricket Team. Nic has worked very hard for this accomplishment and our school community wish him the very best as he represents Australia. I know he is a great inspiration to the many cricketers we have at the school. Well done Nic!

MADD Night performers are currently rehearsing as I write this report. I can honestly say that the sounds coming from the rehearsals show an outstanding level of performance. I had the opportunity to watch one or two performances through the day and was impressed with their talent. All our creative and performing artists should be proud of their achievements and MADD night is a wonderful celebration of their hard work. Thanks to all the creative and performing arts staff who have worked many additional hours to assist students in preparing for this event.

Year 6 Orientation Days were a huge success as we welcomed our new students to the school. I was very impressed with the students and I know they enjoyed the day. Year 10 students exhibited outstanding leadership skills as they assisted students on the day. Our wonderful Hospitality students showed outstanding skills in preparing morning tea and lunch for the students. Thank you also to Mr Burgin for his hard work over the two days!

On Wednesday, the students and staff welcomed our new Principal, Mr Ian Morris to the school. Mr Morris will be visiting again in the near future. I was very impressed with our students in the way they welcomed Mr Morris with many introducing themselves and offering a warm welcome. I have informed Mr Morris that this is a sensational place to work, largely because of the students. This was very evident during his visit. We look forward to seeing Mr Morris again next week.

Mrs J Parsons
Relieving Principal

Careers News

with Mr Cork

Quote of the Week:

"The future belongs to those who believe in the beauty of their dreams." Eleanor Roosevelt

Website of the Week:

TAFE "Choices Day" Bomaderry TAFE 9am to 1pm Saturday, 3rd December 2016.

Year 10 First Aid is on Friday, 2nd December 2016 (Friday Day 10). The course is being delivered by Royal Life Saving. We are able to conduct a 1 day course, because the students will be given their booklets prior to the course. Please note booklets must be completed prior to the course date and handed in completed on the 2nd December. The cost is \$75 payable at the front office. Don't forget your USI number. As of the 16th November we have only 10 confirmed students. We need a class of 15 to proceed. The booklets have now arrived, please see Mr Cork to receive yours.

Year 10 to Year 11 Interviews - will be on during Week 9 (5th December to 9th December). All Year 10 will be interviewed by a member of staff. Students are to have on them a resume, plus an interest test, work values and career planner. All students have completed these in their career's lessons. Students and parents are encouraged to use the website of the week. On this website, in the student area all the information can be found for what is required in the interview.

Last Thursday I had the pleasure of attending an **Industry Tour**, held by Shoalhaven City Council with 5 fellow BHS teachers. First stop was the Sikorsky Operation that services the new Navy helicopter. They will be advertising 4 apprenticeships next year. Chance Hanlon from Hanlon's Windows spoke very positively about the future prospects' for his company as they will also be looking to put on some employees. We were addressed by Manindra as well, and it was very interesting to hear about the opportunities for future apprentices. Garry Wilbraham, who is an ex-BHS student, now CEO of Bomaderry Bowling Club, spoke about the many opportunities the BBC will be giving in 2017.

We also visited Walsh & Monaghan (land valuers), Integrity Real Estate and Financial Dynamics, as well as Shoalhaven City Council outlining future prospects. Check out their website for more information.

The **Air Force Flight Camp** is being held for women aged 16-24 to experience Air Force aviation careers and opportunities. For more information visit <http://bit.ly/2fGtoKe>

UOW "Discovery Day" 2017 has been booked in for our new Year 12 students. It will be on Thursday, 9th February 2017. This important event is FREE for BHS students keen to find out about options at UOW in 2018. All students going should now have a permission note plus a Discovery Day registration note. See Mr Cork for a passcode. Registration closes at 5pm on Friday, 28th December.

Year 12 students who are keen to plan their post-school options should visit the following website which will help with open days, searching for an institution, looking for a career or even scholarships; www.gooduniversityguide.com.au

Mr Cork
BHS Careers Adviser

Reclaimed Water Management Scheme (REMS) 1B

The Shoalhaven City Council is pleased to advise that work to build the next stage of the Shoalhaven Water Management Scheme (REMS) Stage 1B has now started. The project is the single biggest public works project to be undertaken by Shoalhaven City Council and the contract has been awarded to UGL Engineering Ltd (UGL).

REMS provides the collection and storage of reclaimed water for application to agricultural land and sports grounds. The next stage of the REMS is to upgrade and incorporate both Nowra and Bomaderry Wastewater Treatment Plants into the scheme. This will involve upgrades at both plants to produce high quality reclaimed water and connection to the existing system.

There will be a temporary increase in vehicle movements on major roads and some local streets during construction. Where practical, we will minimise the effects on traffic by working outside of daily peak traffic times. For some activities which are required to operate continuously through the day, we may need to travel during these peak times. We will continue to keep the community informed and we ask you take extra care when travelling in and around the area.

Normal work hours on site will be 7am to 6pm, Monday to Friday and 8am to 1pm on Saturdays. From time to time we may need to work outside these hours to minimise impacts on traffic and the community. We will notify the affected residents in advance if this needs to happen.

Year 7 and Year 8 Girls and Boys Sport - Monday
