BRING YOUR OWN DEVICE - 2017

Dear Parent/Carer,

Bomaderry High School, as part of the School Plan, has implemented a Bring Your Own Device policy to the school. The school has nominated a specific device that will be used at this school: the iPad Air 2. The device must be enclosed with a Logitech Anyangle cover. The purchase of a stylus is also recommended.

From Term 4, 2016, all of Year 7 and the 4E class will be using iPads in their classrooms. From the beginning of 2017, all of Year 7 and Year 8 units of work will be digital and the iPad will be an important tool in your child’s learning experiences.

Information evenings for Year 7, 2017, will be held from 6.00pm in Room A3 on the following dates:

Friday 21st October 2016 – Bomaderry Public School, non-public schools;
Friday 28th October 2016 – Berry Public School, Illaroo Road Public School;
Friday 4th November 2016 – Shoalhaven Heads Public School, Kangaroo Valley Public School
Friday 11th November 2016 – Cambewarra Public School, North Nowra Public School

The information session will conclude at 7.00pm. Refreshments will be provided.

RSVP to Cathy Russell; phone 44210699
