1st September, 2016

Dear Parent/Carer,

Information nights have been held this term to discuss the implementation of the iPad Air 2 device into the Year 7 classrooms.

I am delighted to inform you that early in Term 4 2016, all Year 7 classes will be using the iPad Air 2 as the specific BYOD device. An evening to set up the device will be held during the first week of Term 4, to enable parents/carers time to order and purchase the device.

The school has organised a purchasing portal through Harvey Norman, where the iPad Air 2 and the Logitech AnyAngle cover can be purchased. There are a number of options available for this purchase. You are under no obligation to purchase the device using the portal; however, if you wish to do so, the address to access the portal is https://www.harveynormanbusiness.com.au/welcome?return_url=%2Fschools%2Fbhs.html or you can scan the QR Code provided.

Whilst the 64Gb Air 2 has been added to the portal, the 16Gb device is more than adequate for the needs of your child at school. You are reminded that no other device is allowed for use at this school.

The portal code for our school is bhs

This code is specifically for Bomaderry High School families. Please ensure that you put the delivery address for the school as Cambewarra Road, Bomaderry, to avoid incurring delivery costs.

The next Information evening will be held on Wednesday, 21st September in D2, commencing at 6.00pm. This is for parents who were unable to attend any of the other information evenings but any parents with further questions are most welcome to attend.

The information session will conclude at 7.00pm. Refreshments will be provided.

Could you please complete the slip below to indicate your attendance at the information evening?

Jo Parsons
Principal – Relieving

Cathy Russell
Deputy Principal – Relieving

I will/will not be attending the Information Evening for Year 7 iPads on Wednesday 21st September at 6.00pm.
