- ✓ Lessons as normal.

## Positive Thought for the Week

"Mistakes are proof that you are trying".

## Canteen Corner

Do you own chickens and/or ducks and currently have a surplus of eggs? You're very welcome to donate them to the canteen! With bacon & egg rolls and scrambled eggs available daily at breakfast plus freshly baked muffins, our canteen will always appreciate a top-up of eggs. Drop in and see Stacey and the girls anytime you like.

## P&C Bits & Pieces

What a great meeting we had last week to start the new year off with a positive and enthusiastic vibe! Our next meeting on Thursday, 8<sup>th</sup> March will be our AGM. This is a perfect time for new members to join, but don't worry, there's no pressure to take a position on the committee. So whether you're an existing member who hasn't been for a while or a parent completely new to P&C, we'd love to see you at the Bomaderry Bowling Club on Thursday, 8<sup>th</sup> March at 7pm.

## Nowra Show - Section 26 Junior Decorative Flowers

Congratulations BBC group, you worked as a team to create an award winning arrangement. You should be very proud of all your entries.

## Principal's Report

Bomaderry High School was a sea of red this Valentine's Day as the SRC did an amazing job in delivering hundreds of roses to the lucky recipients. My thanks to Mrs Rogers who coordinated this wonderful occasion as well as Mr Flack, who gave us his version of a history lesson on Valentine's day throughout the centuries. I hope everyone enjoyed their Valentine's day.

My thanks also to the staff and students who coordinated and participated in our annual Swimming Carnival. The races were competitive and there were a number of records broken on the day as well. Well done to all those involved.

Congratulations to Grace who attended the National Line Dancing Championships held in Tamworth in January. Grace came away with 26 medals out of a possible 30. A truly astonishing achievement. Well done Grace!

And finally, a huge thanks and congratulations to all the students and staff who entered the Nowra Show. We had some fantastic results and I was most impressed with the sheer number of entries. The talent that we have here at Bomaderry High School never ceases to amaze me.

Mr I Morris  
Principal

## Nowra Show - Cattle Team

Nowra Show was attended by Year 12 Primary Industries Cattle Team. Elizabeth led Neil, our Murray grey steer in the middle weight class, while Jack led our Limousin steer, Nigel. Both were successful in gaining a ribbon. Nigel managed a creditable fourth place while Neil battled it out for first. The judge took a long time considering the top two animals. After much consideration he moved Neil from first position to second place. Obviously it was difficult to separate the two, top quality animals. The steer that beat us ultimately went on to win the "champion steer of the show". Mackenzie, Jayda and Breanna all participated in the paraders competition, acquitting themselves well and showing the benefit of the experience they gained from Berry Show the week before.

We would like to thank Karawi Hill Murray Grey Stud for their assistance, Manildra Stockfeeds for the donation of feed and Mr Van Beek for transporting the livestock and his general assistance at both shows.

**Nowra Show 2018 Results**

Congratulations to all of the students (and their teachers) who entered into the Nowra Show. With over 100 entries in the Cooking, Needlework and Craft Sections, Bomaderry High School received outstanding results.

The Home Economics Faculty has a well-deserved reputation for their continued support of the Nowra Show and of the local community, and work hard at the beginning of each year to provide experiences like these for their students. Well done to Mrs Butfield, Mrs Alcorn, Mrs Mackay, Mrs Leighton and with assistance from Mrs Lynch.

<b>Most Outstanding Junior Exhibit</b> - Jams and Jellies	Tara C
---	--------

**1<sup>st</sup> Place**

Jam	Tara C
Slice – cooked	Emma B

1<sup>st</sup> Place - Junior Needlework Soft Materials

1<sup>st</sup> Place - Junior Needlework Hard Materials

2<sup>nd</sup> Place - Ceramics and Pottery

2<sup>nd</sup> Place - Junior Craft Hard Materials

**Save the Date - School Photo Day**

The annual school photos are scheduled for Monday, 26th February 2018. Students must be in full school uniform. Any undershirts are to be white with no writing or pictures on them. Jewellery is to be discrete and any piercings are to be removed prior to the photo. Piercings which cannot be removed will be airbrushed out of the photo.

Photo envelopes will be handed out this week in roll call. The correct money or credit card details need to be brought **on photo day** as there is limited change. The photo envelope and money are given to the photographers on the day, directly. Parents can visit the school Facebook page and follow the prompts to pay online if they prefer.

Students have individual photos taken and can have sporting and family photos taken as well. If you have any questions, please see Mrs Mackay in the Home Economics Staffroom.
