Testimonials

Islamabad Private Schools Sports Academy - Pakistan

The WSCC 2016 tournament was a great experience for our students as the boys got to participate at competitive levels and also integrate socially.

It was an unforgettable tour with a friendly atmosphere. The grounds and the wickets were terrific and the kids really enjoyed themselves.

IRSHAD MIRZA (our century maker): "It was an honour to be a part of the WSCC. It is a great platform for young players to learn more. Thanks for organizing such a wonderful event."

ASIF HAMMAD MALIK (Delegation Head): "We were treated really well and everyone was so helpful. Hope to come back to the next event in both categories."

The tournament was a great success and we are really lucky to have participated in it. The hospitality and the friendly attitudes will always be remembered by us.

Junaiyd Qadir (Manager)

Grootvlei Sport Academy - Pretoria, South Africa

On behalf of the Grootvlei Sport Academy we would like to thank you for the wonderful experience of being part of the WSCC.

As the first South African team to take part in this tournament it provided an experience and memories that the boys will take with them for the rest of their lives. The international representation at WSCC was absolutely fantastic and our Development team was fortunate to play all 6 games against teams from different countries.

Lifelong friendships were made during the week and with most of the teams staying at International House the boys had time to interact with each other which added to the fun and enjoyment of touring.

We must congratulate you on the exceptional quality of the grounds where the matches were played. The format of the tournament with 2 x T20 matches and 4 x 50 Over matches provide a great opportunity for player development. We look forward to having more South African representation in this event in the future.

HAILEYBURY HOST SCHOOL

Haileybury is delighted to support VSL in running the fifth World Schools Cricket Challenge.

The WSCC gives students from diverse cultural and cricket backgrounds the opportunity to play against each other. The games are keenly contested and played in good spirit.

The fourth WSCC featured teams from 5 countries and I am confident that the fifth WSCC will be bigger, more exciting and provide an even stronger level of cricket than the previous four.

I hope your school can make it.

Yours Sincerely

*Derek Scott
Principal*
